

## Christmas Eve

When I was four year old I like Christmas Eve because we play games. The games were opening presents with kintchen mitens and listening to a story. In my opinion I think the mitens one is much more fun then the story one.

When I became older I did not like the games as I did when I was four years old. I always told myself that it's the small presents.

Now we play basketball, open presents, and the best part is that we eat smores. I loved them so much because it taste scrumptious and sweet. I can see my family having a fantastic time. All these reasons is why I love the day I get to see my family.

In the future I wonder if I can do the same thing with my family. I love the day I freeze my butt off!
